WELCOME MESSAGE

Dear Colleagues

This year, Sharm Derma 2018 will be divided into two parts aiming to facilitate your attendance. Our Spring conference (Part I) will be held in Intercontinental City Stars, Cairo, Egypt from 2nd to 4th of May, while Part II (Fall) will be held in Intercontinental City Stars, Cairo from 25th till 28th of October and in the awesome city of Sharm El-Sheikh from 29th till 31st of October, 2018.

As always, we promise to provide you with an exceptionally valuable experience, hoping that you will enjoy the scientific content, the social program and the wonderful weather during that time of the year.

Both Part I and Part II will constitute a variety of courses, workshops and hands-on sessions (8 to 1 hands-on sessions).

We have been working on providing a balanced program for both parts of Sharm Derma conferences including state-of-the-art in medical and aesthetic dermatology.

The program with its enormous number of symposia, workshops & hands-on sessions – many of them running in parallel – is meant to satisfy the taste of everyone during every single moment of the conference. The courses are designed for different levels of experience and are meant to provide the basic, as well as the latest advances in every sub-specialty in dermatology.

Participation of the most renowned speakers from all over the world will allow for the fruitful sharing of knowledge and experience.

On behalf of the organizing committee, I would like to extend our warmest welcome to everyone hoping you will enjoy the conference and return home with precious unforgettable memories.
